

## *Ms. Deering's Weekly News* October 11th, 2019

We have learned so much in the past 40 days! Thank you all for attending your conference time. I enjoyed updating you on your child's progress so far this year :)

### Halloween Parade and Party

Our Halloween parade is coming up soon. The parade is on October 31st, at 9:45 am. If you would like to see your child walk in the parade, please sign in at the office before coming on campus. Our class party directly follows the parade from 10:15-11:30. If you are interested in helping out, you need to be cleared through Be a Mentor. Thank you to those who have signed up to help out, or donate supplies. We couldn't put on fun celebrations without your help!! Attached below is the link to the Halloween Party sign up genius. The link is also up on our website.

### Book Bags

On Monday, your child will be bringing home a book bag. In that bag they will have a few "just right" leveled books. Please read through these books during the week, and return them in your book bag on Friday. Please treat these books with care so we can reuse them for other students.

### Out of the Classroom

I will be out of the classroom on Wednesday, October 16th. Our class is in great hands with a well veterened sub, who really knows our school and how Wacky Wednesdays work. Please have your child at school on time, at 8 am! If you are late, check your child in and walk them to the MPR for music. Please talk with your child about how to behave for a sub, as we will chat about it in class as well.

Have a great weekend!!

*-Ms. Deering*
