

Ms. Deering's Weekly News August 30th, 2019

Week 3 went by so fast! We had our first fire drill and everyone looked so dashing for picture day. We were very excited to celebrate our 10th day of school with Zero the Hero!! We can't wait until we get to celebrate day 20 in a few weeks!

Scholastic Book Club

Today is the last day to order books through Scholastic. I will place our class order over the weekend, so if you are interested in ordering books please do it by the end of today! Our class code is VYZ9L . Thank you to those students and parents who have ordered books online. You have helped get some awesome books for the class :)

Labor Day

Please remember that Monday, September 2nd, there is no school due to Labor Day. Have a relaxing 3 day weekend!!

Morning Routines

We are at the end of our third week. We are continuing to practice being independent students. Thank you for getting your child to school on time!

Wacky Wednesdays

It is crucial that your child is on time everyday, but especially on Wednesdays! We are quickly putting our backpacks away and walking to the MPR for Music by 8:05. So, if your child is late to school then we are most likely already in the MPR. Please check them in at the office and walk them to the MPR. Music is held on the stage, behind the curtain, so it may look like no one is there. If you are late to school on Wednesdays, and the door is closed/locked, Mrs. Judice's class is hard at work. If your child is

left in the classroom after we have left for Music, he/she will have no one to walk to the office/MPR, so please stay with your child until you know they are safely with our class. Thank you for your cooperation in getting your child to school on time! We all really appreciate it.

Friday Folder

Please return your child's Friday Folder on Monday when returning to school. The Friday Folder helps me keep all forms, money, and other important sheets organized. It is also very important that I have their folder to send home school reminders and other important information home each Friday. Without the folder, these things will get lost in their backpack and might not make it home to you on Friday. Your help and cooperation is greatly appreciated!!

Parents of Boys... please help!

If you have a son in our class, I would appreciate it if you would talk to him about proper bathroom etiquette. We are having a lot of issues with boys not only missing the toilet but also peeing on the wall and the toilet paper holder (which is mounted on the wall). I can only guess that they are walking around or looking around while they are doing their business. When this happens we have to shut the bathroom down for other children. It is important that all children know how to use the bathroom properly at school. Thanks for your help!

September Calendar

Today your child is bringing home a calendar for the month of September. I have included a calendar full of important information about upcoming events in the month. Be sure to put it in a special place so to help you be well informed.

Have a great three day weekend!!

-Ms. Deering
