

## *Ms. Deering's Weekly News* September 6th, 2019

### Scholastic Book Club

Thank you to the families who ordered from Scholastic. Our orders should arrive within the next few weeks. I will send your child's books home with them once they arrive. Our next due date is Friday, September 27th.

### Wacky Wednesdays

We are getting better at arriving on time on Wednesdays. There are still a few students who are being dropped off late, and left alone on campus while our class is in Music. Please remember to be on time, and to stay with your child until they are safely at music with our class. We don't want students to get lost on campus or miss valuable Music time. Thank you for your cooperation!!

### Friday Folder

Thank you for your hard work in returning Friday Folders. I really appreciate it! Please return your empty folder to class on Monday, unless you are returning a form or money.

### Library Books

Our class went to the library for the first time this year. They took their books home in a plastic bag. Please make sure their book stays in the bag when not being read, so it is safe from pets, water, younger siblings, etc. Please bring your child's book back to school on Monday (in the plastic bag) with their Friday Folder. If your child does not bring their book back, they will not be able to check out a new one on Wednesday.

Have a great weekend!!

*-Ms. Deering*
